Golden CO 80401-8200RE Draft IA SAP Addendum #IA-03-02
Dear Mr Legare

The Colorado Department of Public Health and Environment (CDPHE) has reviewed IA SAP Addendum #IA-03-02 Responses by the Site to questions raised by CDPHE have been satisfactory and this Addendum is approved One additional question concerns analyzing for dioxin-like PCB-congeners, since PCBs appear to be likely contaminants of concern for these IHSSs A proposal for addressing PCB-congeners on a Site-wide basis is being prepared and any effect on sampling requirements for these IHSSs will be decided through the consultative process

If you have any questions concerning these comments, please contact Carl Spreng at 303-692-3358 or Elizabeth Pottorff at 303-692-3429
